## EXHIBIT D

### DESCRIPTION OF LIMITED COMMON ELEMENTS

The Limited Common Elements are those portions of the Common Elements which are reserved for the exclusive use of those persons who are entitled to the use of the units to which such Limited Common Elements are assigned. The Limited Common Elements shall be assigned as follows:

(a) All portions of the Common Elements on which there is located a balcony, patio or deck and any portion of the heating and air conditioning system serving a particular Unit or Units shall be Limited Common Area, reserved for the exclusive use of those persons who are entitled to use the Unit or Units which is or are served by such heating and air conditioning systems or entrance area. Steps, ramps and front entrance porches attached to a Unit shall be Common Area maintained by the Association, even though they may serve only one Unit.

## EXHIBIT E

### DESCRIPTION OF UNIT BOUNDARIES

The Unit boundaries of each Unit shall be the unfinished interior surfaces of all perimeter walls, ceilings and floors of the Unit, and any vents, doors, windows and such other structural elements that are originally regarded as enclosures of space: the result being that each Unit shall consist of all interior dividing walls and partitions (including the space occupied by such walls or partitions); the decorated interior surfaces of perimeter walls, floors and ceilings, consisting, as the case may be, of wall paper, paint, carpeting, tiles and any and all other finishing materials affixed or installed as a part of the physical structure of the Unit: and all fixtures, appliances and mechanical systems and equipment installed in each Unit and the hot water heater and heating, ventilation and air-conditioning system which is intended for the sole and exclusive use of said Unit. No pipes, wires, conduits, common flue chimneys or other public utility lines or installations connecting a part of the over-all systems designated for the service of any other Unit, nor any of the structural members of portions of the buildings shall be deemed to be a part of any individual Unit. Attic areas shown on the Floor Plans are part of that Unit.
